CAP

The wave of letters is still an important element in baseball caps and caps· The cloth cap of 18AW adopts novel flocking fabrics, the auxiliary materials of the ribbon, and other letters of electric embroidery, to lead the trend·

ABOUT US

Shanghai Style Fashion Accessories Co., Ltd is a professional accessories supplier, who can provide a comprehensive service to customers, including sourcing, designing, manufacturing and trading. Taking manufacturing, exporting and self-brand retailing as our core line of business, Shanghai Style deals in a whole range of fashion accessories such as scarf, gloves, hat, cap, as well as some household textile products. Since established in 2001, Shanghai Style has been endeavoring to offer the best service to our customers. Through a continuous hardworking, we have built a stable and fruitful cooperation relationship with many first-class international retailers such as H&M, C&A, Claire' s, COS and Kmart. Our products are exported to over 40 countries on a global scale.

Located in Shanghai, the headquarter of Shanghai Style has more than 100 employees. About 60 merchants work in 7 sales departments and 10 designers(3 works oversea) who are good at source and creative work do design work for customers. Outside Shanghai, we own 3 factories (one oversea production unit included) empolying 800 staffs and covering more than 40,000 square meters of workshop area. They are equipped with 100 STOLL machines(advanced flat knitting machine controlled by computer) imported from Germany and computer design system SHIMA SEIKI from Japan. We boast ourselves to make most fashionable and qualified products. At the same time, we also enable ourselves of a huge production capacity and flexible delivery by establishing a good cooperation relationship with more than 30 subcontract suppliers. In the year of 2014, through exporting more than 25 million pieces of products, our annual turnover achieved over 50 million USD. We can do an order ranging from minimum 300 pieces to hundreds of thousands pieces. We are now still devoting ourselves to enlarging production capacity and shortening delivery period. We always are ready to meet challenge from different customers.
